## *A Few Things...*

Below you can find my booking policies and answers to common questions you may have...

### *"Can i get my deposit back?"*

Deposits are non-refundable. But i understand life happens, so i'm more than happy to reschedule or save your deposit for a future session.

However after 2 rescheduled sessions your deposit is forfeited.

### *"I'm running a few minutes late"*

Things happen, i can accomodate you if it's just a few minutes.

If it's going to be more than 20 minutes you may interfere with the session after you so there's a chance we may have to reschedule. Just let me know and we can figure it out.

### *"Is it possible to shoot outside?"*

Absolutely, on location sessions are fine. But there is an additional fee of +\$75 for a on location session.

### *"You didn't call or text and didn't show"*

If it's 30 minutes past your session start time and you don't show and you haven't contacted me i'll assume you changed your mind, in this case your deposit is forfeited and to book in the future i will need payment in full.

### *"Do you have Props?"*

Yes, i offer a wide variety of seating props, end tables, faux plants, letter board, chalk board and some other misc props. Anything else specific you want to your shoot it's recommended to be brought in by client.

### *"When can i expect my photos?"*

You will receive your digital gallery via e-mail within 72 hours of your session.

### *"I love my photos! Can i order prints & canvases?"*

Absolutely! Your digital gallery will have a shopping cart icon and a print store section built into the gallery. You can order prints and photo gifts in one click! Of course it's a secure encrypted checkout.
